

Core Skills: Advanced Laparoscopic Colorectal Skills

Friday 2 December 2022

The Core Skills: Advanced Laparoscopic Colorectal Skills workshop is a highly practical one day cadaveric workshop aimed at providing participants with the most efficient techniques for advanced laparoscopic colorectal surgery, including safe colon mobilisation and techniques for vessel control.

The workshop aims to provide participants the opportunity to gain and consolidate skills in dissection techniques and enhance their laparoscopic skills in colorectal surgery.

They will gain an improved understanding of laparoscopic technique and knowledge of anatomy associated with colorectal resections, including anatomy of the bowel. The workshop aims to consolidate clinically relevant surgical and anatomy knowledge useful to real life practise and exam preparation.

This cadaveric workshop will also feature presentations and discussions, whilst allowing sufficient time for practising skills

CTEC acknowledges the support of the following:

Government of Western Australia
Department of Health
WA Cancer and Palliative Care Network

in a supportive environment with a high faculty to participant ratio. Limited places for Observers are available.

Workshop Content

Participants will deepen their understanding and skills in the following areas:

Demonstration and Cadaveric Practical Sessions

- Safe laparoscopic colorectal dissection techniques
- Laparoscopic right hemicolectomy
- Laparoscopic high anterior resection (left hemicolectomy)

Presentations

- Ergonomics
- Entry techniques
- Trocar and instrument placement
- Dissection techniques and vessel control
 - Blunt and sharp dissection
 - Energised dissection
 - Sealing vessels, staplers, clips and energised sealers
- Patient preparation

Convenor

Professor Marina Wallace

Suitable for

Senior SET Trainees and Consultants in Colorectal Surgery. Limited Observer positions are available. Limited positions are available for Theatre Nurses in assisting and scrubbing for workshop participants.

CPD Approvals

Royal Australasian
College of Surgeons

CPD Approved

Approved in the RACS CPD Program. RACS Fellows, Specialist International Medical Graduates (SIMGs) and surgeons participating in the RACS CPD Program can claim 1 point per hour (to a maximum of 8 points) in Educational Activities.

Venue

CTEC

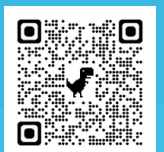

The University of Western Australia
Entrance No.2
Hackett Drive, Crawley
Perth, Western Australia

Fees

WA Participant: \$1235
Non-WA Participant: \$1485
Observer: \$175
Theatre Nurse: Free of charge
