CTEC's JDocs: Emergency Airways workshop is aimed at developing the skills and knowledge of pre-vocational doctors in dealing with the establishment of an airway by means of a surgical approach. It is designed to enhance knowledge and confidence in often challenging emergency procedures deployed when attempts at a basic airway have failed in the clinical setting. This workshop is of particular relevance for junior doctors interested in specialising in emergency medicine.

This one-day hands-on workshop features practical stations including anatomical landmarks, didactic sessions and case studies and discussions. Hands-on sessions are guided by expert faculty and focus on the incisions and percutaneous insertions involved in a surgical airway.

**Workshop Content**

Participants will rotate through a number of interactive Animal Tissue and Model Practical Sessions and Presentations.

CTEC acknowledges the support of the following:

---

**Chest Drains: Placement and Management:**
- Intercostal tube insertion, suturing and drainage
- Thoracentesis
- Needle decompression for tension pneumothorax

**Airway Management:**
- Oxygen delivery and bag mask delivery
- Airway basics and scoping
- Jet insufflation and surgical airway techniques

**Surgical Airways: Cricothyroidotomy and Tracheostomy:**
- Anatomy landmarks and surgical cricothyroidotomy
- Percutaneous tracheostomy
- Tracheostomy troubleshooting

**Presentations:**
- Anatomy of airways: General Surgeon
- Ward emergency airway manoeuvres: Anaesthetist
- Chest drain replacement: Emergency Physician
- Surgical cricothyroidotomy: ENT Surgeon
- Physiology of oxygenation/ventilation: Intensivist

---

**Suitable for**
- Junior Doctors - Interns, House Medical Officers, Resident Medical Officers and Service Registrars with an interest in emergency medicine

**Accreditation**
- This educational activity is RACS accredited and contributes towards the JDocs e-Portfolio record of clinical experience, achievements and assessments.
- This educational activity is accredited by ACEM for 8 CPD hours.

**Venue**
CTEC
The University of Western Australia
Entrance No.2
Hackett Drive, Crawley
Perth, Western Australia

**Fee**
- WA Participant: $690
- Non-WA Participant: $860

**Register Online**
