

The Cutting Edge: Practical ED Skills

Friday 11 October 2024

CTEC's new Cutting Edge: Practical ED Skills Workshop is an intensive hands-on skills training workshop utilising synthetic, live participant, animal tissue and cadaveric hand and arm teaching models. It is of particular relevance for rural GPs, GP Registrars and Advanced Scope Nurse Practitioners, especially those working in hospital emergency settings.

Workshop Content

Presentation and Practical Session - Live Participant Basic Ultrasound Scanning:

- Ultrasound safety talk, terminology and definitions
- Scan plans (sagittal, transverse, oblique) image orientation
- Patient positioning
- Generic knobology applicable to ultrasound equipment
- Cannulation under ultrasound
- Arterial line and central line
- Seldinger Technique - wire technique

CTEC acknowledges the support of:

Government of Western Australia
Department of Health

RURAL DOCTORS'
ASSOCIATION OF
WESTERN AUSTRALIA INC.

Presentation and Practical Sessions - Access Techniques Practical:

- EZIO
